

Carmel School

Parent-Teacher Partnership

Together, we are partners in your child's education and we are all part of Team Carmel.

Let's work positively towards the same outcomes and remain supportive of one another.

You advocate for your child, our role is to advocate for all students.

Please understand that there are many factors taken into consideration when making decisions for the good of all.

Rules are rules.

In the interests of fairness and equity, rules apply to everyone.

Investing our time and energy into your child is important to us.

Please follow correct procedures when raising issues and contact the person best placed to help. You will find the results more efficient and effective.

Positive and constructive communication builds trust.

Help us maintain a school community of kindness and respect.

Thank you for your contribution
