Administration of an estate

When it is time to administer an estate, Carmel School appreciates your assistance in the following ways:

1. Notify us – Please contact us on shalom@carmel.wa.edu.au and include a list of any gifts or assets that have been bequeathed to the School. Carmel School may request that certain assets be dealt with in a particular manner for tax purposes. For example, the School is exempt from payment of capital gains tax, and therefore an in specie transfer of CGT assets such as investment properties or shares (rather than a sale of those assets by the executors and a transfer of sale proceeds) may result in a significantly reduced tax liability.

2. Tell us about your client – we will always want to thank remaining family and friends, as well as honour your client's memory. Acknowledging your client in an authentic way will enable us to respect their final wishes as well as maximising the impact of the donation. In the event of a dispute regarding family provision it is the practice of Carmel School to attend mediation.
