The ACER registration requires the following:

- The most recent school report
- The most recent NAPLAN results
- One combined PDF document including:
 1. This application form
 2. A letter by the applicant outlining their motivation for applying, a written timeline of the applicant's achievements, and a demonstrated commitment to Carmel School's Values

If you do not have a copy of your most recent school report or NAPLAN results, please contact your current school in the first instance. If your school does not have a copy on file, they can request one from the test administration authority for their State or Territory.

The closing date of applications (including the above documentation) via ACER is **Thursday 8 May 2025**.
